Dear Family Members, Friends, and Residents –

I hope all of you are well and enjoying this great weather! Our residents are truly enjoying your outside visits with them. I want to thank you for staying within the parameters set up to keep your loved ones healthy. I know it is difficult to stay at least six feet apart but please know that your loved one is truly just so happy to see you even six feet away. Please continue to reach out to Genovia Morgan our Life Enrichment Director at gmorgan@pavilionnsg.com to schedule an outside visit and we continue to be happy in assisting your loved one arrange virtual visits via FaceTime, Skype, and Zoom in between your outside visits.

I am happy to say that neither staff nor residents show any signs or symptoms of COVID-19. As part of our surveillance program, all staff were tested today by the National Guard. We should have the results of the testing within the next 72 to 96 hours and as always, you will be notified if any of the staff test positive for COVID-19. Our current numbers are as follows:

- Total staff (including contract staff) - **Cumulative** - that tested positive for COVID-19 = **seven (7)**. Six have returned to work and the other individual remains in quarantine.
- Total residents (**cumulative**) that have tested positive for COVID-19 = **zero**

Thank you for your ongoing support and please feel free to contact me or Rachael McCullough, RN/DON if you have any questions or concerns. Our website at www.pavilionnsg.com is updated daily for all COVID-19 related information so please review it to ensure you stay current.

Stay healthy and safe -

Mary E. Benoit
